

Sublime (ReFirme) Information

WHAT DOES SUBLIME TREAT?

This device uses technology which features elos a combination of Radio Frequency and Light to precisely heat the dermal tissue within the targeted treatment area. By doing this collagen production will be stimulated and will produce a firming effect to loose skin. Fine wrinkles are reduced, texture can become smoother, noticeable lifting can be observed, all without a lot of downtime.

HOW DOES IT WORK?

The combined bi-polar radiofrequency and light energies of elo-s technology precisely heat the dermal tissue, stimulating collagen production within the target treatment area. Fine wrinkles are reduced; facial contours improved and overall skin quality reveals a much smoother and even complexion.

IS SUBLIME SAFE?

Sublime (ReFirme) was FDA cleared for wrinkle reduction. This procedure is minimal pain with no downtime. This device can also be used on all skin types.

HOW LONG DOES IT TAKE TO SEE RESULTS?

A minimum of 5 treatments are usually recommended for optimal results. Most patients will see these gradual results throughout their treatment. In our office we prefer to schedule treatments every 2-4 weeks apart.

WHO SHOULD HAVE THIS TREATMENT?

Sublime (ReFirme) is best for anyone who would like a non-invasive solution to wrinkled skin or sagging skin.

WHAT ARE POSSIBLE SIDE EFFECTS?

Very minimal swelling and redness are the most common side effects from the Sublime (ReFirme) treatment. These usually subside within a few hours following treatment.

DOES IT HURT?

Sublime is a gentle, comfortable treatment requiring no downtime. Many patients return to normal activities immediately after the treatment. Cooling of the skin's surface provides enhanced safety and additional comfort.

HOW MUCH DOES IT COST?

Treatment price is based on factors such as number of and size of treatment areas. Patients should always assume that there would be an initial series of treatments spaced about 2 to 4 weeks apart and then once or twice yearly for maintenance. We offer customized packages at a discounted rate.
