FINANCIAL POLICY

Welcome to Contour Dermatology and Cosmetic Surgery Center! We are pleased that you have chosen us as your health care provider. Our mission is to provide you with the highest level of professional medical care with the highest degree of patient satisfaction. To avoid any misunderstandings and ensure timely payment for services, it is important that you understand your financial responsibilities with respect to your health care.

INSURANCE Your insurance coverage is a contract between you and your chosen insurance company, and it is your responsibility to know your insurance benefits. As a courtesy, we will bill both your primary and secondary insurance companies. We will submit your claims and assist you in any way we reasonably can to help get your claims processed. In order to do this, we must receive all the information necessary to bill. If the information is not provided, you will be billed and payment in full will be expected within 30 days of receipt of statement. We are currently contracted with most PPO insurance carriers. In the event that we are not aware of a charge that is not covered by your plan, you will be billed for the balance after we obtain a denial from your insurance carrier.

<u>HMO/MANAGED CARE PLANS</u> Contour Dermatology does <u>NOT</u> accept HMO insurance plans. Patients with HMO insurance will be considered a "self-pay" patient and will be responsible for payment in full at time of service. We will not attempt to bill your insurance.

MEDICARE We participate in the Medicare program. You are responsible for your co-insurance, any deductibles that have not yet been met, and services that are identified as patient responsibility on your Medicare Explanation of Benefits. We require all patients to sign an ABN (Advanced Beneficiary Notice) which lists our fees and notifies you of your financial responsibility for certain medical services at every visit.

<u>MEDICARE/MEDI-CAL</u> Our office participates with Medicare, but not Medi-Cal. After billing your insurance, as a professional courtesy, we will write off the amount applied to co-insurance. However, Medi-Medi patients are responsible to pay any amount applied toward their annual Medicare deductible and for services not covered by Medicare. If your deductible has not been met prior to receiving care at our office, you will be responsible for payment at time of treatment.

PATIENT RESPONSIBILITY Patients or their legal representative are ultimately responsible for all charges for services provided including, but not limited to any co-payment, co-insurance, deductible or service not covered by your insurance, bounced check, collection or attorney fees. We expect your payment at the time of your visit for all charges owed for that visit as well as any prior balance. If a deposit is necessary, you will pay an estimate of the expected patient responsibility; when your insurance company notifies us of your patient responsibility, we will either send you a statement for the balance due or issue a refund.

<u>OUTSTANDING BALANCES</u> All outstanding balances are due at time of visit. Upon checking in for any appointment, we will notify you of any outstanding balance. We will request payment for both outstanding balances and any balance related to appointment you are checking in for. Balances can be paid conveniently via the Nextech portal, HealthiPass, in person, or you can keep a credit card on file.

If you have an outstanding balance for more than 45 days, you will be referred to an outside collection agency. Once referred, you must contact the collection agency directly to make payment arrangements.. We will not be able to see you as a patient until your account is resolved with the collection agency. If account remains delinquent, you may be discharged as a patient the practice. Accounts referred to a collection agency, will incur additional fees which include a \$25.00 collection fee, addition processing fees, and additional legal fees.

Patient will be subject to a \$25.00 processing fee for returned checks. Patients may be subject to a \$10.00 monthly service charge for non-payment of their monthly statement.

In addition, if you have unpaid delinquent accounts, we may discharge you as a patient and you may not be allowed to schedule any additional services unless special arrangements have been made.

FINANCIAL POLICY CONTINUED...

LABS AND PATHOLOGY If your insurance requires laboratory specimens to be sent to specific lab it is your responsibility as a subscriber to know the participating labs, *specify your preferred lab*:

(If no lab noted we will send specimens to our normal lab and you will be responsible for all charged incurred with them) Biopsies, Cultures, and specimens cut, shaved, or punched will always be sent to University DermatoPathology Associates (UDPS).
